SOLDIER GRAPPLER ATTRACTS NOTICE

Challenges Issued to New Mat Aspirant.

YOUNG MONDAY IS WILLING

Would Take Him on Without Quibbling About Terms—Mackey Also Bobs Up.

Owens Phillips, the "Terrible Soldier," who is to wrestle Prof. T. Uchimura, the Jap, at the Washington Barracks gymnasium on Thursday evening for the benefit of the gymnasium fund, has been receiving a number of delicate attentions from other wrestlers, who have not been aware heretofore that there was a good middleweight in the city.

One of those who has taken notice of the soldier is Young Monday, who made a large number of friends while in Washington by his willingness to meet anybody at any weight. Monday writes that he wants a match with Phillips, if the soldier is as good as reported, and will not quibble about terms. He is now in New York giving exhibitions and picking up matches here and there, but is willing to return to the Capital at any time.

Mackey Bobs Up

Still another who says he would like to try the mettle of the engineer is Rob Roy Mackey, who came out of his cage this morning with a challenge to the winner of the Thursday bout. Since Mackey failed to throw Harvey Tyrrell last winter he has been keeping quiet, as far as matches here were concerned, but he was going on every week or so last summer in exhibitions at Indian Head, and says he is as good as ever. Recently he has been working with a new man he has discovered, who has never been in a match, and refuses to take part in professional engagements. Mackey is developing the youngster, who is a 140-pounder, for amateur bouts, and will take him to Baltimore to test his mettle there.

In teaching his protégé the "Man of Many Words" has incidentally been preparing himself for a return to the limelight, and announces he will meet either Phillips or the Jap. Phillips may be too heavy for Mackey, and the Jap, who does not profess to be a world-beater at catch-as-catch-can, may be too light to make the match interesting, so that the voluble one may not be able to get on with either unless he is willing to put up a side bet to show that he means business.

BOYS' DEPARTMENT WON FROM SENIORS

Juniors Were Outweighed But Outplayed Heavier Opponents—Winners of Holiday Games Receive Prizes.

Although outweighed over ten pounds to the man, the senior five of the boys' department defeated the Orioles, a picked team from the senior department, by 20 to 17 in a rough game of basketball in the junior gymnasium at the Y. M. C. A. building yesterday evening. There is much friendly rivalry between the teams, and as the lighter overcame the weight handicap by team work they were unusually evenly matched.

The winners would like to meet District teams of 15 pounds or under. Address James E. West, Y. M. C. A. building.

The line-up:

In the intermission between the halves Chairman James E. West, of the junior physical department, presented the winners of contests in the holiday games meet with their prizes.

NOW COMETH BURNS WITH A CHALLENGE

Talketh Loudly About Shkel's Really, Truly Silver Wherewith to Back Himself.

News comes from Los Angeles that Tommy Burns has posted \$1,000 in that city and has challenged O'Brien to a box for the heavyweight title. Furthermore, it is said that Burns will put himself to the tune of \$1,000, and that "the house will guarantee \$20,000."

One would think that the Los Angeles matchmaker would prefer Jack (Twin) Sullivan to Burns as an opponent for O'Brien, after Sullivan's victory over Burns in the city named, but you cannot always read between the lines in a telegraphic dispatch.

One thing is certain, however, if Los Angeles will turn out \$20,000 strong to see Burns and O'Brien fight, the Southern city relieves San Francisco of the pain as a pugilistic center. The affair would not attract one-tenth of that amount in San Francisco.

BEDFORD BOY AND HOWARD O. ON TOP

Yesterday's Matinee Drew Out Crowd on Speedway.

EXHIBITION BY GREENLINE

Charles McDermott Went a Half Behind Marian Wilkes and The Dean in 1:11 1-2.

Over two thousand enthusiasts gathered at the New Century Speedway yesterday afternoon to witness the two scheduled events which had been planned, and several interesting impromptu races.

The first event, a free-for-all pace, open to amateurs and professionals, had five starters.

E. E. Taylor, who was acting as starter, got the bunch off nicely in two heats, which Bedford Boy, with Morrow driving, won after a nip and tuck race with Robin Hood. In both heats the latter took the lead, but each time he broke and though he came back gamely, could do no better than second. The other entries finished in the following named order: First heat, Buckshot, third; Bill McKinley, fourth, and Spalpeen, fifth. Second heat—Buckshot, third; Spalpeen, fourth, and Bill McKinley, fifth. As Bedford Boy won the two heats, there was no necessity of a third. The winner of this event received a cooling sheet, presented by Walter Cogswell, of 211 Eleventh street. Time of heats, 1:08 1/2 and 1:09.

In the next event, a free-for-all trot, only two horses went to the post, Nicola and Howard O. Only two heats were needed for the latter, Charles Weitzel driving, to demonstrate himself the faster. Corbin rode behind Nicola. The winner of this event was presented with a pair of quarter boots, given by Albert G. Brooks, of the Portland Station. Time of heats, 1:13 1/2 and 1:14 1/2.

Two exhibition half miles were then driven by Mr. McDermott, the first behind Greenline, in 1:08, and the second behind Marian Wilkes and The Dean, in 1:11 1/2. James Beane, behind Edna Wilkes, accompanied McDermott in both exhibitions.

The summaries:
Free-for-all pace:
Bedford Boy (Morrow).....1 1/2
Robin Hood (Acker).....2 1/2
Buckshot (Keene).....3 1/2
Bill McKinley (Fourth).....4 1/2
Spalpeen (Anderson).....5 1/2
Time, 1:08 1/2, 1:09.

Free-for-all trot:
Howard O. (Corbin).....1 1/2
Nicola (Weitzel).....2 1/2
Time, 1:13 1/2, 1:14 1/2.

Officials—Judges, John H. Gheer, Charles White and Thomas M. Bond; timer, B. F. McCauley and Henry Coperthite; starter, E. E. Taylor.

Columbia Golf Club Meets Monday Night

Annual Election and Banquet—Reduction of U. S. G. A. Fees Causing Much Discussion. Links Attract Many on Holidays.

The Columbia Golf Club will hold its annual meeting and election of officers at the Raleigh next Monday night.

Three members of the board of governors are to be elected to fill vacancies caused by the expiration of the terms of J. T. Hendricks, C. H. Rudolph and L. W. Weaver. Nominations for officers and governors are not made before the meeting, so that there is no definite line on candidates for the positions, but it is believed that there will be little opposition to the re-election of the present incumbents if they want the places.

The board meeting takes place after the election, and the affair winds up in a banquet at which the work of the club will be reviewed and plans for next season discussed.

Proposed Cut in Dues.

One of the matters which will come before the Columbia board will be the subject of becoming an associate member of the United States Golf Association if the association reduces the fees for such members from \$100 to \$50. This reduction will be one of the amendments to the U. S. G. A. constitution which will be voted on at the annual meeting in New York on January 13, and it is thought that it will be adopted.

At present the Chevy Chase Club is the only associate member in Washington. F. O. Horstman was the delegate last year, and it was said this morning that he might be appointed again. The Chevy Chase Club for its delegate to the U. S. G. A. meeting has usually selected a man who was also a member of the Columbia Club, so that the Columbia have had the benefit of taking part in the deliberations in a sort of indirect way.

Chevy Chase Not Opposed.

Chevy Chase is not believed to be opposed to cutting the associate mem-

bership dues in half, although the board of governors has taken no positive stand in the matter. The Columbia Club has not formally discussed the matter, but T. Piny Moran, of the club, thinks it would be perfectly willing to pay \$50 in order to get a vote. He said this morning:

"Speaking for myself, I should say that we would rather have a vote on our own hook than through a Chevy Chase member and would rather pay the difference between the \$100 allied membership dues and the \$50 proposed associate dues than be left out in the cold. The matter has only recently attracted any great deal of attention in Washington, but is now the talk among golfers, and the final decision will be received with interest."

Links Busy Yesterday.

The perfect weather yesterday brought out the golfers in crowds and all the links were full of business. At the Columbia Club there were about sixty-five players making the rounds, although there was no trophy offered. The uncertain weather of the New Year season, caused the abandonment of the day as one for a holiday handicap, but the golfers made up for this lack of incentive by arranging sweeping stages. Despite the lateness of the season, the links were in excellent condition, and some good scores were made.

Chevy Chase was also the scene of a number of impromptu matches, and the links were dotted with golfers all day. The election of Maud K. Wetmore, of Washington, but is now the talk among golfers, and the final decision will be received with interest."

The Grand Circuit stewards meet next week.

Millard Sanders believes Lou Dillon can beat her record.

Lord Russell, the sire of Kremlin, 2:07 1/2, is dead.

Mart Demarest is a member of the winter colony at New Orleans.

Charley Gardner is keeping house at Reservoir Farm, Lexington, this winter.

Quite a delegation of Bostonians will take in the Ottawa ice races next month.

An offer of \$5,000 has been refused for the trotter Lord Quex, 2:14 1/2, who took his record at Dover last fall.

The circuit followers who used to visit Memphis will be sorry to learn of the death of Murray Howe's brother Frank.

Wilbur Duntley has just finished beautiful oil paintings of Glenwood M., 2:07 1/2; Lady Sealskin, 2:06 1/2, and Kruger, 2:08, for Ralph Williams.

There are several rumors as to who owns Idle Hour farm, the Macon, Ga., establishment of the late R. H. Plant. One is that Ed Geets and the Chaffin brothers have it. Another gives B. Ackerman, of Alexander City, Ala., as the new owner.

New England men looking for racing material will do well to look around at home a bit before traveling a couple of thousand miles to look at a story. A year ago there could have been bought for small sums a lot of horses who were good campaigners last season, including Harrison Wilkes, Forester, Advancer, Ben Conn and Lady Sealskin.

First—To prohibit the shooting of ducks from launches, and defining a sneak-boat to be not more than eighteen feet long and propelled by oars.

Second—That police be on duty from the 1st of October, and that the Harford and Cecil county police provide themselves with boats with cabins; that they be on duty on the "flats" at all times during the months of October and November.

Third—To stop all fishing on the "flats" from October 1 to January 1.

Fourth—Uniform price for licenses.

Fifth—To change the hour of "crossing the line" from 6 a. m. to 12 o'clock midnight.

Personal Comment on Men and Things in the Field of Sports

BOXING.

Young Erne, of Philadelphia, sadly disappointed his friends in his six-round bout with Jimmy Briggs, of Boston, in Philadelphia last night. The latter was too hard a proposition for Erne. The bout was fought before the National Athletic Club and drew an immense crowd. The Philadelphia had the satisfaction of outpointing Briggs and coming out of the contest unscathed, but Briggs was never in any serious trouble, and finished the six rounds with no more damage than a cut on his mouth and some sore spots on his body.

"Kid" Goodman lost to Dave Deshler on a foul in the fifth round of what was scheduled for a fifteen-round bout at the Douglas Athletic Club of Boston last night. Goodman had all the better of the bout, and looked a sure winner until he fell low in the fifth round and Deshler went to the floor.

Willie Bruns and Mike Egan boxed a fast three rounds last night before the Eldert Club of Brooklyn, N. Y. Bruns is a bantam, weighing only 105 pounds, but he has the punch of a much heavier boy. Egan had the advantage of five pounds over Bruns, but at no time of the fight had he a possible chance.

Sailor Burke, formerly of the United States navy, and Jack Blackburn, of Philadelphia, mixed matters good and hard for three rounds in the start stant at the Sharkey Athletic Club of New York last night. Both boys fought from bell to bell, and at the end a good draw would have been the result could a decision have been rendered. Burke forced the fight from the beginning to the end, playing for the colored boy's body, while Blackburn hooked a few wallops in the pantry. Burke received a hard wallop on the nose at the end of the first round, which caused him to bleed freely and appear in worse shape than he really was.
